1. Terms

- 1.1. This price list is valid from November 1, 2022 and until further notice. Mälarhamnar AB reserves the right to change the price list during the year.
The price list has been revised in March and May 2023 regarding what applies to the handling of waste from vessels. The revision has been made as a result of the new waste legislation TSFS 2023:15
- 1.2. The fee is charged in SEK and applies to full calls, for arrival and departure to and from the port area.
- 1.3. The invoiced amount must be delivered to Mälarhamnar within 30 days from the invoice date. Delay interest is invoiced according to the invoice if payment is not made at the latest due date.
- 1.4. Vessels that meet the criteria in section 1 EU2022/91 and have at least 30 points according to ESI or have at least 4 stars according to CSI receive a 5% discount on the harbor due based on GT. Notice of registration and fulfillment of the approved level must be submitted to Mälarhamnar AB. In order to receive a discount, this must be reported in connection with vessel notification and that the notification has attached documents showing that the vessel meets the approved levels.
- 1.5. Vessels that meet the Swedish Transport Agency's definition of short sea shipping receive a discount of 6% on the harbour due, see [point 2](#). In order to receive a discount this must be reported in connection with vessel notification.
- 1.6. When a vessel first calls at Mälarhamnar, or if the vessel has been rebuilt since the last call, a valid survey letter according to the 1969 measurement rules shall be presented by the shipping company or the shipping company's representative.
- 1.7. Mälarhamnar AB reserves the right to define the vessel type.
- 1.8. If the Swedish Government has ordered that special fee provisions shall be applied for certain types of vessels, these provisions shall apply.
- 1.9. Mälarhamnar exempts itself from any liability and liability for damage or expense that arises as a result of strike, blockade, lockout, weather or other obstacles outside the company's control.
- 1.10. All assignments are performed according to the Swedish Harbor Terminal Regulations 1989.
